Dear Palm Beach County Residents;

We are delighted to offer you the Community Educator put forth by the Department of Adult and Community Education. We hope you will review the many courses offered and find some that may be of interest for you and your family.

Not only do we provide comprehensive instructional programs such as Adult Basic Education High School and GED Preparation, Career and Technical Education (CTE), and English language competency courses; we also offer a diversity of personal enrichment classes designed to help students enhance their quality of life at home, work, or in the community.

The Department of Adult and Community Education serves over 30,000 students annually at more than 26 sites across the entire county. This includes a full-time Adult Education Center as well as a Virtual Education program for those who prefer online instruction. The goal of the Adult and Community Education Department is to increase the number of adult education students who enter postsecondary education and earn a degree, certificate and/or industry credential.

We hope you will find a compelling topic that motivates you to enroll in one of the courses today!

Sincerely,

Donald E. Fennoy II, Ed.D.

Happy Family in 90 Days!

Thursdays • 7-8pm
April 18 - May 23 • \$55

In this parenting workshop, a certified parenting coach will take you week by week with effective strategies, examples, exercises & fillable templates to use in your home. There will also be group work and role playing to test the strategies being taught. Some sample topics being covered include: making the morning, bedtime and meal time routines stress free, sibling rivalry, tantrums, and entitlement. This workshop will improve your child's behavior and listening skills resulting in a better connection between you and your child. The coach will also be able to answer questions to help parents who are stressed out and feel like there is no solution to their children's behavioral problems.

Happy Family in 90 Days!

Wednesdays • 7-8pm
April 10 - May 15 • \$50

In this parenting workshop, a certified parenting coach will take you week by week with effective strategies, examples, exercises & fillable templates to use in your home. There will also be group work and role playing to test the strategies being taught. Some sample topics being covered include: making the morning, bedtime and meal time routines stress free, sibling rivalry, tantrums, and entitlement. This workshop will improve your child's behavior and listening skills resulting in a better connection between you and your child. The coach will also be able to answer questions to help parents who are stressed out and feel like there is no solution to their children's behavioral problems.
